DEVELOPING INTERPERSONAL SKILLS

My work as a photographer has given opportunities to interact with many different people. And I continue to seek out chances to develop my interpersonal skills further.

EXPERIENCE

Just Energy • Kitchener, ON • May - July 2014

Door to Door Salesman

My job involved walking up to the doors of strangers, striking up conversation, and selling them a hydro plan that would stabilize their utility bills.

I developed the ability to be cordial, friendly, and personable, while maintaining the customer's best interest at heart.

Biddingo.com • Toronto, ON • Multiple Co-op Terms 2010-2013

Jr. Programmer & Product Manager

I worked both on the technical side and the management side at Biddingo, giving me experience with doing the grunt work and taking the big picture perspective.

This also gave me the opportunity to work in a team environment and dealing with customer issues.
